

Do you or does someone you care for have special educational needs or a disability (SEND)?

We are developing the way in which we support children and young people, aged 0-25, who have special educational needs and/or disabilities. To explain these changes and to show what help is available we have created a Local Offer with all the information in one place.

The Wiltshire Local Offer helps parents, carers and young people to find out about the support and services available in their local area and how to access them.

The Local Offer includes information on:

- Education
- Preparing for adulthood
- Health and social care
- SEND service
- Leisure
- Travel
- Support and guidance

Wiltshire's local offer can be accessed through our website
www.wiltshirelocaloffer.org.uk

If you don't have internet access, it is available at your local library and selected children's centres.

You can also contact the Wiltshire Parent Carer Council (WPCC) who will do their best to assist you. The WPCC can be contacted on 01225 764647, Monday-Friday from 10am - 5pm.

The Local Offer is developing with help from professionals, parents, carers, children and young people.

Your views are important so if you have any comments or feedback please email localoffer@wiltshire.gov.uk
