

Core Subjects:

Links to theme

English

This term we are using Mrs Armitage On Wheels by Quentin Blake to support our reading, writing and grammar development.

The pupils will:

- discuss books that I can read and have read to me.
- recite the story to help us learn the language structures.
- look at the grammar in the story.
- write their own stories about Mrs Armitage.

Mathematics Year 2

- Learning about fractions.
-

Please keep talking about clocks and the time at home.

Science Year 2

The children will be learning:

- How to draw a food chain.
- Identifying and naming animals in microhabitats, such as under logs and in a tree.
- Thinking about what plants need to live and grow.

Thatchers - Flight - Term 5 2018

Personal Development

Spiritual

Our RE themes for the term are:

God: What do Christians believe God is like?

Islam: Community and belonging.

Moral

The children will be considering forgiveness.

Social

The children will be working together to create stories, music and designs together, using problem solving skills.

Cultural

The children will be thinking about what Mosques mean to Muslims.

Foundation Subjects

History and Geography

History

- Children will put the key events in the history of flight onto a timeline.
- Children will discuss the first flight by the Wright brothers.

Geography

- Children will be looking at aerial photographs to recognise human (including towns, farms, and harbours) and physical features (including coasts, forests and rivers).

Art and Design and Design Technology

This term the children will be designing planes for Mrs Armitage, thinking about how we can solve certain problems.

The pupils will also be building extensions to Mrs Armitage's bike during a Big Build – look out for this, dates to follow shortly.

Music, Languages and Physical Education

Music: The class will work together, choosing instruments and combining sounds to create a piece of music to represent an aeroplane flight.

French: The children will be asking and answering questions to introduce themselves.

PE : Games

Computing

Children to use technology to create pictures of creatures that fly.
