

## **UNIFORM**

The DfE strongly encourages schools to have a uniform 'as it can play a valuable role in contributing to the ethos of a school and setting an appropriate tone'.

A uniform helps to develop a sense of belonging to the school and prevents competition and additional cost to parents. We have found that wearing a school uniform supports us in maintaining our high standards of behaviour.

Although, by law, Primary Schools cannot insist that children wear school uniform, the Governors of Crockerton School have endorsed that the pupils are strongly encouraged to wear the elected uniform while they are at school and whilst representing the school during trips and activities. Prospective parents, when looking around the school, are informed that children attending this school are expected to wear the school uniform.

All items with the school logo can be purchased from the school office. All other items can be obtained from local retailers.
