Thank you very much for supporting our children and thank you for following these guidelines.

Feel free to use the staffroom to make a tea or coffee during breaks.

- Behaviour Policy
- Fire Evacuation Policy
- Panic Alarm
- Child Protection and Safeguarding
- Volunteering and confidentiality Policy
- Keeping Children Safe in Education

These policies are on the website and should be read in advance of working with the children.

Please remember, any concerns that Volunteers have about the children they work with / come into contact with should be voiced with the class teacher and not with the parents of the child or contacts outside school.

Behaviour

The class teacher will deal with any form of misbehaviour or rudeness. Try not to get yourself embroiled in dealing with poor behaviour. Our staff know the children extremely well and some children may have individual behaviour plans in place making it extremely difficult for you if you try to tackle misbehaviour directly.

Our children are courteous and considerate, but please tell the teacher if you spot otherwise!
