

prospectus

Develop your creativity:

3 points

- ◆ Draw a stage and show a scene from one of the plays of Shakespeare.
- ◆ Could you write your own scene in a playscript inspired by Shakespeare?
- ◆ As a costume designer, choose a character from a Shakespearean play and design a costume for them to wear.
- ◆ Make a mask of your favourite character from The Tempest.

Any of the above for your favourite Shakespearean play.

This half term's optional POWER Project is:

Shakespeare – The Tempest

BBC Schools Radio website has a great variety of Shakespearean playscripts adapted for children.

HAND IN BY: Monday 26th March 2018

Choose optional projects to achieve your 5 POWER Points.

Tick off what you have completed to achieve your points.

Explore your mathematical skills:

1 points

- ◆ **Plan a trip to the Globe Theatre**
Look at the price of tickets for you and your family. Add this to the cost of snacks. Would you buy a programme? Find the total cost.
- ◆ List as many playscripts as you can by Shakespeare.
- ◆ How old would William Shakespeare be if he was still alive now?

Extend your research skills:

2 points

- ◆ Research about the life of William Shakespeare and write your top 5 facts.
- ◆ Find 5 facts about the Globe Theatre where many of Shakespeares' plays were performed.
