Westbury RFC School's Festival

Crockerton Rugby Teams competed in a friendly tournament at Westbury. After several practice sessions with well over 20 children, three teams were able to be entered. A year 3/4 'Wolves' team, a Year 5/6 'Griffins' team and a Year 5/6 'Lions' team. There were some new faces to the rugby team, and some of the year 3/4 children represented the school for the first time.

There were 5 other Westbury schools to play against. It was a really well organised and fun tournament, with a fun zone available when a time slot had no match. Crockerton teams won all their matches during the afternoon; demonstrating excellent support play, excellent fitness and excellent team play. They certainly impressed many spectators.

Dylan and Oren received Player of the Match from their team, Lions. James and Dougie were voted Player of the Match in Griffins. The Year 3/4 team were amazing winning their games quite considerably - an opening victory of 11-0 certainly helped their confidence.

All the children received medals and a wristband at the end. A great start to the new school year.
