

Year 1 and 2 Football Festival at Warminster School

On 13th October 2017, Thatchers and Potters Y1 and 2 children were invited to Warminster School's Football Festival.

On the way, in Mrs Ilic's car they were very excited and noisy – talking about who was the best and who would win.

Once they had arrived they played tag and ran around. They also started a game of football against another school until Callum Stonier called them over, ready to start.

Mr Stonier told them who was going to help them and the safety rules.

First exercise for our school was Cat and Mouse. Trying to steal that tail! A band tucked into trousers! Harry was a winner as he collected 3 and kept them all! After that, was Bull Dog which they got better and better at as the game progressed.

Schools rotated around, next station was shooting. They had to try to get it in the corners – Top Corner the best! Isaac was pretty good at this!

Next station was a reaction game – the children looked like they were doing dance hoping around all over the place!

The final station was learning to tackle – they were all experts at this.

Before playing a friendly small-sided game against Stonar, they had a break and water stop. At the end they had snacks and a drink which we (the reporters) got too!

Kaia and Riley
