It was a really cold spell in February when we played in the Warminster Schools Netball tournament.

We had been practising at lunchtimes but playing on a full sized pitch was very different.

We won our first game 1-0 against the final winners... unfortunately for them they could not qualify as they had 8 players and too many boys in their squad.

Our next few games were tough ones against Horningsham and Princecroft and unfortunately we just lost both near the end of the games. We pulled it back, rotating our positions constantly, trying to stay warm and keep our fingers warm enough to catch a ball, and had a draw against Sutton Veny. We then found our best form in the last game with nearly all our shots on goal going in, especially Dylan.

We came third overall, but qualified with Horningsham to the next round in 2 weeks time.
