

Thatchers Years 1 and 2 – School Days – Term 1 2021

Core Subjects	Personal Development	Foundation subjects Year 1 and 2
English	Value: Friendship	History and Geography
<p>Recount Writing The best way to learn to write is to read and talk so the pupils will be creating a scene of their favourite moment during their summer break. They will then write a holiday recount. They will then learn about verbs, looking at past and present tense verbs and the suffixes –ed and –ing.</p> <p>Poetry The pupils will explore poetry through Allan Ahlberg’s book Please Mrs Butler. They will learn and perform one of the poems using expression, before writing their own poems. Nouns and noun phrases (using adjectives) will be the grammar focus to enhance their vocabulary.</p>	Spiritual	<p>History: Children will learn about old and new things within our school. · Children will think about what schools were like in the 1950s/1960s (within living memory) · Children will use a range of sources to research schools in the Victorian times · Children will create a timeline to show how schools have changed. Geography: Exploring the grounds and surroundings of the school, the pupils will be learning about human and physical geographical features. This will be through a combination of onsite lessons and Welly Walks.</p>
	Moral	
<p style="text-align: center;">Maths</p> <p>This term we focus on place value. Year 1 will work mainly within 30 and Year 2 within 100. · Sort, count and represent objects · Count, read and write forwards and backwards · Count one more and one less · Represent numbers as tens and ones · Compare and order groups and numbers</p>	Social	Music and Physical Education
	Cultural	Computing
Science	Cultural	Computing
<p>Science will be taught through a combination of classroom based lessons and use of the local environment. The pupils will be learning about animals including humans. They will be: Identifying common fish, amphibians, reptiles, birds and mammals. Naming a variety of carnivores, omnivores and herbivores. Identifying, drawing and labelling the basic parts of the human body and linking these with each of the five senses.</p>	<p>Pupils will be exploring the importance of kindness to Christians. The parable of the Good Samaritan will enable pupils to reflect upon the messages of kindness that Jesus shares in the Bible.</p>	<p>Children will develop their e-safety awareness. They will use the internet to research schools in the past. They will also take photographs and experiment with different effects to create pop-art style images. Children will learn to save their work.</p>
